

FAMILY CELL PHONE AGREEMENT

FIRST CHRISTIAN CHURCH

Because I understand that having a cell phone is a great privilege that requires great responsibility, I am in agreement to this family phone covenant.

- I will always answer my phone when my parents call.
 - I will never _____ while I'm behind the wheel of a vehicle. (Moving or sitting in traffic)
 - I will not send or forward anything to anyone that may be considered threatening, embarrassing, humiliating, or offensive.
 - I will not download/subscribe to anything on my phone without my parents' knowledge.
 - When asked, I'll allow my parents to view any and all information on my phone.
 - I understand that I will not be punished for informing my parents of receiving inappropriate content from someone else.
 - I agree that these rules will be revisited and adjusted as technology evolves and my responsibility is confirmed.
